TRASH PICK-UP – MHOA ONLY PRESERVE RESIDENTS SHOULD CONSULT ANCHOR MANAGEMENT

Collier County Public Works

<https://www.collier.gov/Resident-Resources/Solid-Waste/Residential-Collections-Services>

Pickup Schedule:

- Trash: Monday & Thursday
- Recycling & Bulk: Monday only

Special pickups may be scheduled through Waste Management:

Phone: 239-252-2380

Online: <https://www.wm.com/us/en/home/residential-waste-recycling-pickup>

Guidelines:

- Containers may be placed curbside 24 hours before pickup
- Containers must be returned to garages 24 hours after pickup
- Service pauses on major holidays (July 4, Thanksgiving, Christmas), with delays shifting to the next scheduled pickup day

Bulky Item Collection

You may place bulky items at curbside on your recycle collection day. Bulky items include furniture, bicycles and other items too large to fit in your green lidded trash cart. Bulk items should not exceed 4 feet and/or 50 pounds

Please call **(239) 252-2380**, 48 hours in advance for *specialty bulky waste* collection.

Scheduled *specialty bulky* items include:

- **Appliances** such as refrigerators, stoves, dish washers, washer and other household appliances. Door must removed to avoid entrapment of children and all content must be removed.
- **Electronics** include but are not limited to computers, monitors, printers, fax machines, game systems and telephones. All batteries must be removed and taken to a Collier County Drop-Off Center.
- **Tires and Batteries** - You may dispose of two vehicle batteries and four standard (33 inches in diameter or less) vehicle tires per month.

Construction and Demolition (C&D)

You may dispose of debris from small do-it-yourself projects in your green lidded garbage cart. If it does not fit in the cart, **do not** put it at the curb. These materials should be removed by the contractor or the home-owner can take it to the Collier County Landfill or Immokalee Transfer Station for proper waste disposal.
